THE JAZZ DIVA OF OUR ERA

The Story

In February 2020, Ruby Robinson **SOLD OUT** The Pheasantry Jazz Club in Chelsea, London.

This young lady is an exceptional performer.

Ruby has performed on stages all over the UK including prestigious London venues such as the West End's **Café de Paris**, The **Pheasantry Jazz Club** in Chelsea, and upstairs at **Ronnie Scott's Jazz Club**, Soho, to venues abroad such as Swing 46 Jazz and Supper Club near Times Square, New York. She has toured around the UK with several Big Bands performing on great stages including **HQ and Ambassador Theatre Groups**, organised and choreographed cabarets as a Bluecoat for Pontin's Holiday Camps, as well as hosted and performed at several private, corporate and communal events across the UK. She also features annually as a Special Guest Vocalist at **The Big Band Blitz 1940's Gala** which was featured on BBC's Strictly Come Dancing.

A **rising talent** in the UK's live music scene, Ruby is not to be missed. She draws great influence from the iconic divas of Jazz including Ella Fitzgerald, Billie Holiday, Sarah Vaughan and Peggy Lee. She is well-known for her fantastic stage presence, her excellent stylistic technique of women beyond her years, and her strong, warm tones. With her wide repertoire inspired from over **100 years** worth of music, her passion for the **Great American Song Book** brings a new approach to audiences as she performs her own arrangements.

In 2021, Ruby plans to release a **Debut Live Album**, and continues to co-write with new up-coming Artists and Band Leaders. She is graduating from an undergraduate Music Business degree at The Academy of Contemporary Music, and hopes to continue onto a Masters Degree to study Music Business Management. She actively releases content on various social media platforms including **Ko-fi**, and when live events and gigs return after the effects of the pandemic, she hopes to continue to perform live regularly around London and the UK.

"Ruby Robinson is without doubt a 'Star' in the making."

- Pizza Express Live, London.

"Ruby Robinson came in cold, no rehearsal and nailed every song! She was a pleasure and extremely easy to work with."

*- Dave Post, Swingadelic,
Swing 46 Jazz and Supper Club, New York City.*

"There is a new kid on the block in the vintage swing scene! Ruby is sure to add the perfect touch of vintage chic to any event."

- Leigh Christmas Times 2018

"I first heard this young lady sing with the Astor Big Band at Richmond Theatre, and was so impressed by her performance that I invited her to sing with the Jon Bennett Big Band at the 2016 Big Band Blitz gala night. Ruby's performance at Big Band Blitz was outstanding. Ruby has style and stage presence well beyond her years. She is young lady of exceptional vocal talent and style. Her ability to capture the exact mood of the song is a delight, and she is a firm favourite with the audience. I will definitely invite her to perform again."

*- Warren Walters
Producer & Promotor
Aspects Productions*

"A great working partner and a talent beyond her years."

*- Simon Marshall

Never Ever Blue Promotions*

"I Was lucky enough to hear Ruby and the band in action in Leigh-on-Sea recently. Awesome voice, great range of tunes, and she certainly knows how to entertain a crowd. We need more live music in this corner of the world, and I'm looking forward to seeing Ruby take to the stage again soon."

*- Pete Sipple
Presenter
Southend Hospital Radio*

"She is always well prepared, professional in her approach to the performance of each song, and really enjoys entertaining the audience with her vocal talent. I am proud to have Ruby as a singer in my band, and wish her continued success in her musical career. Just make sure you are available for me!! "

*- Jon Bennet
Musical Director
The Jon Bennet Band*

"A great singer with a fab personality. honoured to perform with her."

*- Stephen Holgate
Musical Director
The Sid Bolan Big Band*

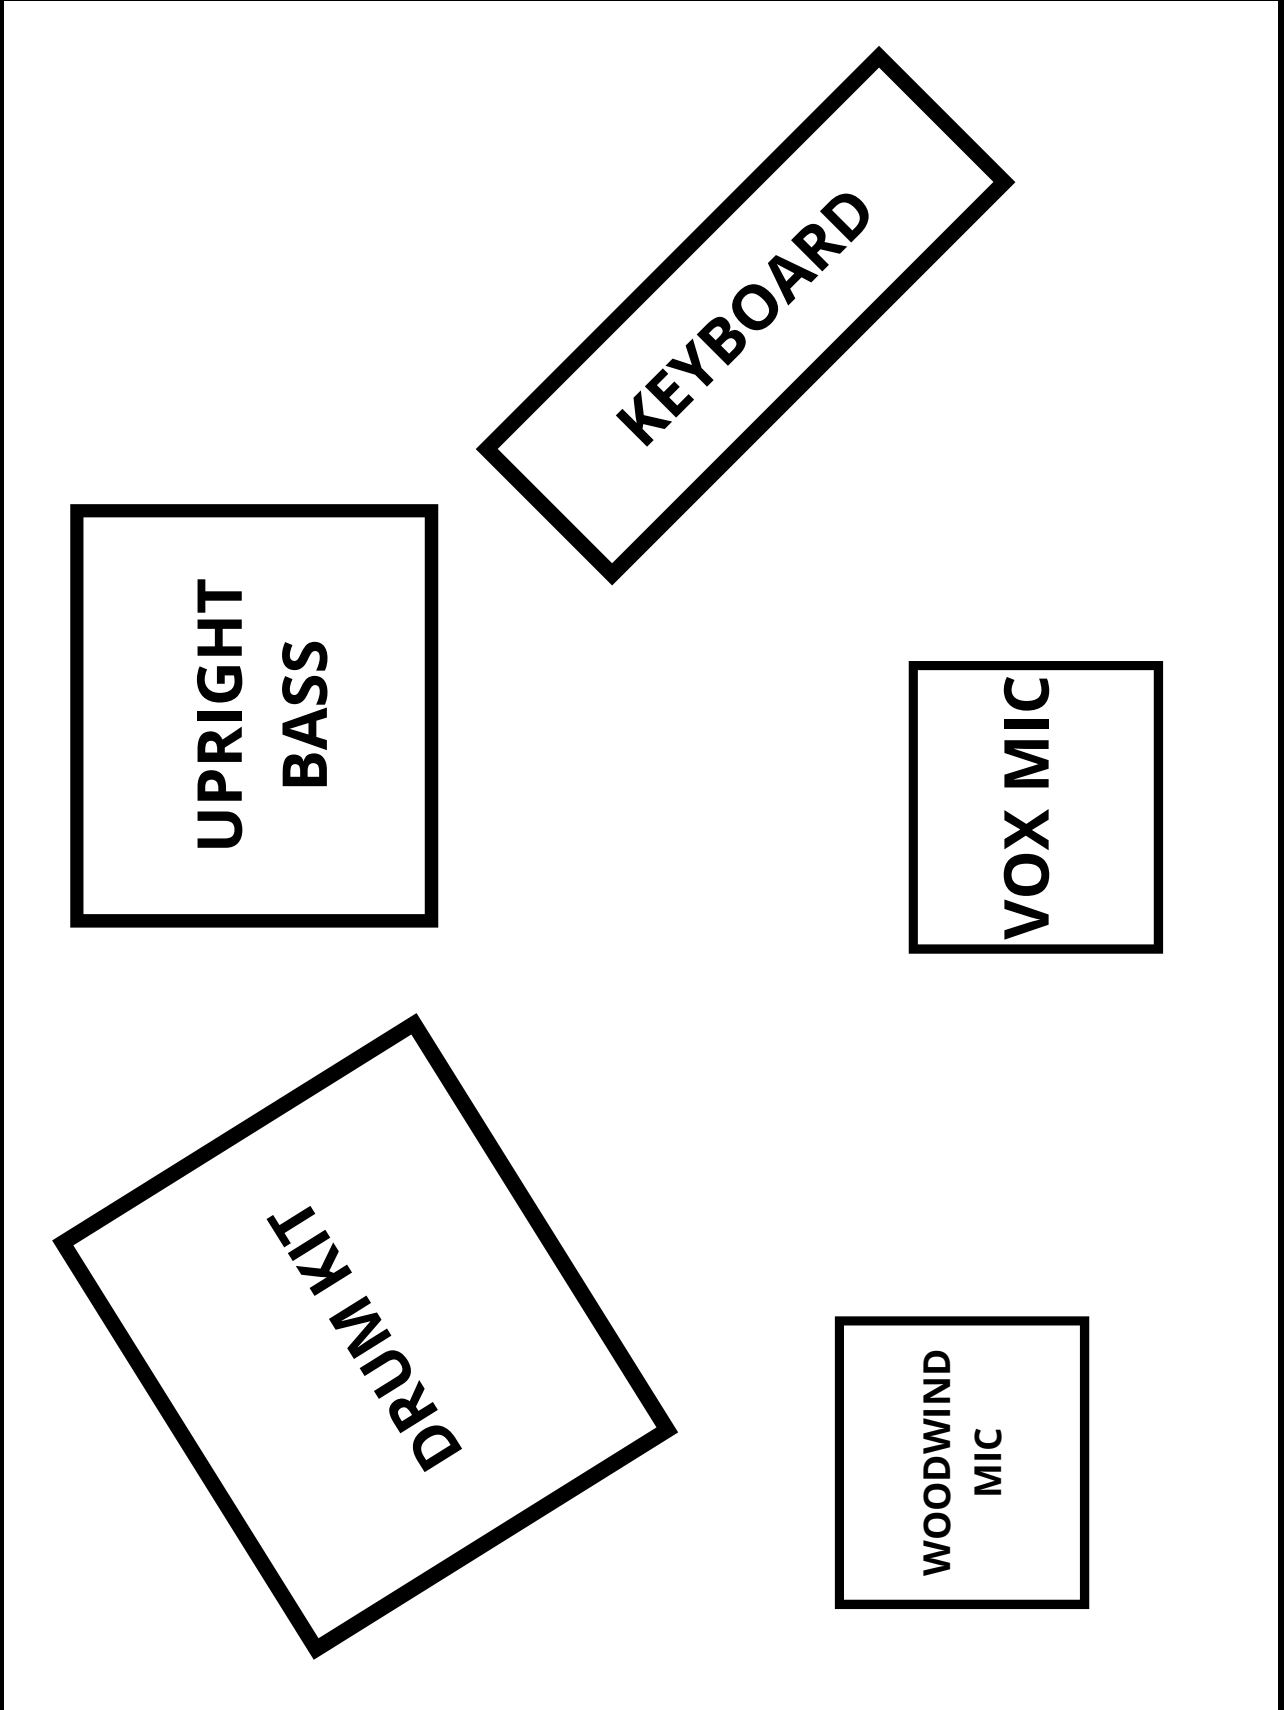

"Time for something more low-key, as Ruby Robinson's finely-honed jazz vocals wrap themselves around this Maroon 5 cover while her band back her up with subtle and carefully balanced musicianship. It's not easy to reimagine a song to such a high standard that it matches the original, but that achievement is undeniable here. Head over to Ruby's Instagram channel for news on upcoming live shows, residencies, and more classy music."
