Testimonials

"Hugely entertaining and a joy to work with..."

"Ruby Robinson is without doubt a 'Star' in the making."

"Anyone know a roofer? Ronnie Scott's needs a new one...a belting gig!"

"Ruby Robinson came in cold, no rehearsal and nailed every song! She was a pleasure and extremely easy to work with."

"We can't thank Ruby enough for making our first evening event at the Fancy Fox an absolute success. She was fantastic from start to finish and everyone thoroughly enjoyed the evening. We can't wait to have her back for another event!"

"Just to say many thanks for performing with the Sid Bolan Big Band yesterday. It was fantastic having you sing with us again. The great feedback from the audience and client was so positive and heart warming. You added such energy to our concert. Thank you so much."

"Ruby Robinson's quartet performed at Ruskin Park Bandstand on Sunday 30 July. They arrived on time, set up their equipment and were wonderful in resolving a problem we had with our PA system. Despite the atrocious weather, Ruby and her band were amazing. The vocals and backing were exciting and the very wet audience enjoyed the 50 minute performance and insisted on an encore. The enjoyment and energy projected by the band defied the torrential downpour and turned a grey wet Sunday into a joyous event. Many thanks to the Ruby Robinson quartet from turning what looked like a disaster into a great success."

"Ruby filled in last minute for our summer garden party and despite the typical British weather (high winds and rain) and changes to the location (inside rather than outside in the sun!) she didn't complain and just got on with setting up with no issues! The whole experience with Ruby was seamless, from setting up to singing and tidying away it was as though we had had her booked in and planned for a year, not just 24 hours! Her voice was incredible, she chose all the songs herself that suited the vibe from the welcome drinks to later pop and dance and they were simply perfect. She got the crowd going and by the end of the night we were all dancing, singing along with her! We will for sure be using Ruby for future events – you are a hidden gem!!!"

"Ruby Robinson and her ensemble band played on the bandstand as part of "music in the park" after one bands had to drop out. They were fantastic and had all the audience up on their feet and clapping and singing along! An impressive feature for any band, let alone a band that put a show together in under 24 hours! Me and the rest of the team could not be more delighted with the knowledge that Ruby will be returning to our bandstand in Priory Park in September. Truly phenomenal and fantastic!"
